

SUPPORT FOR THE INVESTOR

1. Support offered by the Małdyty Commune Office:

- preparing information about the investment potential of the commune,
- assisting investors in the necessary administrative and legal procedures,
- offering quick access to comprehensive information on the investment's economic and legal environment,
- providing comprehensive assistance in finding suitable locations, consistent with the investor's expectations, as well as partners and subcontractors,
- offering after-investment care for companies,
- real estate tax exemption as part of de minimis aid related to the implementation of a new investment and the creation of new jobs

ACT NO XIV /128/2016 COUNCIL OF MAŁDYTY COMMUNE of 15 June 2016.
